June 15-18, 2021

Faculty of Global Studies

Lomonosov Moscow State University

7th International Scientific Conference

“Topical Issues of Global Studies:

Global Development and “Limits to Growth” in the 21st century”

The 7th International Scientific Conference will be held with the participation of members of the Russian Academy of Sciences, the International Global Research Academy, the Club of Rome, the World Academy of Art and Science and the Society for Global Studies.

The Conference will discuss **topical issues of global studies** and will provide the results of the work of the **interdisciplinary scientific and educational school of Lomonosov Moscow State University “Mathematical methods of complex system analysis”**. The Conference is dedicated to **the 60th anniversary of the first human space flight**, as well as to **the memory of Arkady Dmitrievich Ursul** – one of the first researchers of global problems and processes:

The main topics of the Conference are related to the scientific heritage of A.D. Ursul:

- Space Globalistics,
- Philosophy of Space Exploration,
- Social Informatics,
- Global Development,
- Noosphere Studies,
- Evolutionary Globalistics,
- Philosophy of Information,
- Educational Globalistics,
- Noosphere-oriented Theory of Sustainable Development,
- Futurology, etc.

In the framework of the Conference there will be held:

- Forum of Russian Academy of Sciences “Russia in the 21st Century: Global Challenges, Risks and Solutions”;
- Presentation on the results of the work of the interdisciplinary scientific and educational school of Lomonosov Moscow State University “Mathematical methods of complex system analysis”;
- Forum “The Impact of the COVID-19 Pandemic on Globalization”;
- 22nd International Symposium on Biocosmology (22ISBC) “Aristotle's Organicist Cosmology and V.I. Vernadsky's Naturalistic Scientific Approach - in Tackling the Contemporary Problems of World Evolvement”
- Section “Sustainable Development”;
- Section “Global Development and Global Governance Challenges”;
- Section “Theoretical Global Studies”;
- Meeting of the Society for Global Studies.

Russian and foreign scientists, researchers, professors, students and postgraduates whose research interests relate to the study of global issues and international relations are invited to participate in the Conference.

To participate in the Conference you should submit the application form and abstracts by filling in the electronic form on the website <https://www.globalistika.ru/problemi-globalnih-issledovaniy>.

The Conference will be held in **online and offline format**. The Conference will be organized in accordance with Federal Service's for Surveillance on Consumer Rights Protection and Human Wellbeing (Rospotrebnadzor) recommendations for the prevention of new coronavirus infection (COVID-19). Participation in the Conference is **free of charge** and does not require any registration fee. In the case of a possible face-to-face format participants **bear their own expenses** for arrival and accommodation.

Application forms are accepted *until April, 30*.

Participants can submit scientific articles that will be published in the electronic book and will be placed in the Scientific Electronic Library eLIBRARY and Russian Science Citation Index database (see requirements for submitting in Annex 1).

Rules of the Conference

Speeches at the plenary session – up to 15 minutes, at the panels – up to 10 minutes, in the debate – up to 5 minutes.

Congress languages: Russian and English.

REQUIREMENTS for SCIENTIFIC ARTICLES:

Articles are accepted for publication based on the results of each Conference Panel, on the recommendation of the moderator. The names of the articles must correspond to those indicated in the Applications and Abstracts submitted during registration for the Conference.

The Organizing Committee checks the articles in the anti-plagiarism system and sets the minimum of originality for papers at 80%. In case of non-compliance with this paragraph of the regulations, the Organizing Committee reserves the right not to accept the article for publication in the electronic book.

The texts of the articles are submitted by mail to conference@fgp.msu.ru and presented in the form of a non-archived attached file format *.docx (Word 2007), where the file name is “Ivanov (name of author) Article (name of article).docx”.

The text must have no more than 20 000 characters with spaces, be typed in single spacing in Russian or English, Times New Roman, size 12, page margins-2.5 cm on all sides. Indentation at the beginning of the paragraph - 1 cm in the upper right corner of lowercase letters in bold italics are printed:

- 1) *surname, name;*
- 2) *academic degree (if any, without abbreviations);*
- 3) *academic title (if any, without abbreviations);*
- 4) *the name of the organization (without abbreviations and without specifying the legal form, the name of the position and division is not specified);*
- 5) *the city;*
- 6) *email address.*

Ivanov Ivan Ivanovich
PhD in economics,
Associate Professor Financial University
Moscow
[*e-mail@yandex.ru*](mailto:ivanov@yandex.ru)

Next, a single interval centered printed name, font size 12, capital letters, bold.

ARTICLE TITLE

*Information on the financial support and acknowledgment
are in italics on the right.*

- after one empty line – the word "Annotation", then after a period, with a capital letter-the text of the annotation. Annotation size - from 100 to 500 characters;
- on the next line – the phrase "Keywords", then after the period, capitalized keywords separated by commas. The number of keywords and phrases is 4-5;
- after a single interval – single-spaced text.
- footnotes are used only for comments, but not for references to literature (if applicable, only page-by-page, not end-by-end);
- Tables and diagrams should be generalized research materials. Drawings should be clear and easy to reproduce. Names and numbers of figures should be specified under figures, names and numbers of tables-above tables. If the article contains one figure or one table, they are not numbered, and the words "Figure" or "Table" are specified. Tables, figures and formulas should not go beyond the specified fields. All figures and tables should be referenced in the text of the article.
- Not allowed: page numbering; use in the text of page breaks (sections), the use of automatic numbering; the use of sparse or compacted letter spacing.
- The list of references is obligatory. It is issued in full accordance with GOST. References to all items of the list of references are required in the text of the article. References to the relevant source of the list of references should be made in the text in square brackets (for example: [1, P. 233] or [2]). If a reference to literature is placed at the end of a sentence or part of it, a punctuation mark is placed after the reference (for example: "Text [4].»)
